Mining/Buying/Selling/Asset Backed Cryptocurrency

JV Opportunity

JV Partner A: Rabbit Investment, LLC

JV Partner B: _____

General Terms and Conditions:

- Interested JV Partner "B" issues an LOI emailed to info@rabbitinvestment.com
- JV Partnership Agreement drafted detailing main terms and conditions below with added interests of Partner "B"
- Amendments to JV Partnership Agreement until joint agreement by parties.
- JV Partnership Agreement final signed and notarized by both parties.
- JV Partner "B" wire transfers agreed amount to JV Partner "A" USA Bank account.
- JV Partner "A" uses funds to purchase the assets; purchases and exports will begin within 60 days of funding.
- JV Partnership Agreement Term is 5-years or as agreed.
- JV Partner "B" receives a 20% annual interest payment or as agreed.
- JV Partner "A" makes all annual interest payments and balloon payment to JV Partner "B"
- The Partnership Agreement can be long term 50/50 profit share based on parties' interest's capabilities or as agreed.
- JV Partner "A" will use funds to legally mine and export all diamonds (this includes, but is not limited to, mining equipment, licenses, taxes, travel, and running costs pertaining to diamond mining, buying, exporting, cutting/polishing, and selling)
- JV Partner "B" has the option to buy some, or all the diamonds exported for an agreed price, or store and create an asset backed cryptocurrency with JV Partner "A"
- JV Partner "B" must pay for the diamonds, or it can be used as a form of interest payment.

Notes:

- If JV Partner "B" is purchasing the diamonds, the diamonds will be exported to the desired country in the name of the desired receiver for tabletop inspection and negotiations for payment. Diamonds are sold individually, and price negotiations must take place. If there is no agreement to the purchase price, then JV Partner "A" will sell to another buyer or cut/polish to sell later. This enables JV Partner "B" to make additional profits to the annual 20%.
- JV Partner "A" can utilize an almost infinite amount of funding for mining and buying abilities in Africa. There is a tremendous amount of mining opportunity as well as buying alone.
